to notify the revised rates. The Conservator has notified them on pp 430 × and 431 of part II of the Gazette of 30th March 1905. This notification mentions 18 sorts of wood, including the 5 Chilta classes mentioned in the Govt order.

Ruled by 8th Councillor

Capt (139) 23-4-13 24.4.13

11 I do not see why the Comptr has anything to do with supplying this. In the cases in which class is not mentioned, the wood may be of the sort utilised generally for making sandal paste, perhaps the last sort of short logs. The Consr (unless there is any objn) may assume this to be meant when no sort is mentioned. In that case, the wood may be supplied as suggested × to Consr in other file.

was me y Cert. On further consideration it appears the best to require the Chief Local Magistrate to make the purchases. Hence I have altered the draft suitably.

17 Regarding the quality of the purchased in the case institutions where the class of wood to be supplied is not mentioned, the Conservator of Forests is of opinion that the class Shal-Bridelia and Boyaduk will suit well. Now are classes V & VI and paid at Rs 6.50 and Rs 6.00 respectively. It would Remove further complication if one or the other can definitely be fixed upon. In the case of institutions where class has been specified, the V Sort (Shal-Bridelia) is the lowest mentioned. The same class may be specified in the case of the remaining institutions also. If this suggestion is approved the draft may be suitably altered and submitted for approval

Mufrai Branch

Sir

I have the honor to state that with reference to Government proceedings No 929-40/mufr 157-06 dated 28-10-1911 and subsequent proceedings No 2847-57/mufr 239-11-3 dated 20-5-1912 in the matter of free supply of Sandalwood to certain mufrai

Institutions

~~Instructions~~ orders were issued to the Auildar of T. Narsipur Taluk to send in a requisition to the District Forest-office for the quantity of Sandalwood required by the Sri Vyasaraya Swamithatt at Soosale.

The District Forest Officer replied that arrangements would be made to supply Sandalwood on production of a receipt from the Treasury after crediting the value thereof.

The Auildar reports that the price of the class of wood meant to be supplied has since gone high and that the required quantity cannot be had for the amount remitted

provided therefor and asks for
instructions as to which sort
of wood should be indented for.

The Comptroller to the Government
of Mysore was then requested
to inform if the Auildars might
be permitted to draw the amount
required for purchasing sandalwood
at the rate fixed in Government
order of March 1905. He in reply
has stated that a reference
has been made to Government to
declare what class of wood
mentioned therein corresponds
to the class of wood proposed to be
given in the Order of October
1911 and that orders are awaited

(Vide

Vide his No. 2936 dated 18-10-1912).

The Assistant of Narsipur further reports that the Sowcar mutt authorities bitterly complain of the inconvenience felt by the non-supply of sandalwood and that they have up to date spent something like Rs 120/- by way of purchasing Sandalwood for the last 8 years

I request therefore that you will be so good as to move Government to pass early orders thereon.

I have the honor to be,
Sir,
Your most obedient Servant,
K Ramdas
Deputy Commissioner.
